260 years of creation, design & innovation with Wedgwood

2019 marked over two centuries since Josiah Wedgwood decided to plant our roots into the clay-rich soil of Stoke-on-Trent, inspiring generations around the world to be creative and colourful when it came to styling their tables and their homes.

Steeped in this rich heritage, over 260 wonderful years later Wedgwood continues to be renowned for high-quality and innovative British design, bringing a timeless eclecticism to today's dining experience.

GIO

The new GIO collection was developed after in-depth discussions with several experienced professionals in the hospitality sector. Major factors were taken into account such as plate sizes, food-service areas, capacities, food-types and serving methodology.

Both dishwasher and microwave safe. This collection is designed to be used every day in busy catering environments and its shapes and serve ware are ideal for sharing food moments such as tapas and the latest 'grazing' experiences.

GIO will grace any table from a casual setting to a more formal fine-dining arrangement. GIO is an achievement in classless design.

GIO carries Wedgwood's lifetime edge-chip warranty and a guarantee that it will retain its perfectly sheened glaze.

WATERFORD

SINCE 1783

Crafted since 1783 for this very moment.

*Take those little moments that mean the world
and make them even more special.*

For over 200 years at Waterford we've been harnessing the magic of the Irish earth, water, wind and fire; creating fine crystal so you can make every moment more special.

Intimate moments to get lost in. The sound of the crackling wood fire. A classic cocktail with a treasured friend. A breeze of fresh flowers in your living room.

Life is full of special moments, so take them in, be present, magnify them.
